

Genesis Vertical Lift STAAGE 44

portable vertical wheelchair lift

Satin Grey
Standard Finish

The Genesis STAAGE 44 lift is a safe, simple and cost effective accessibility solution for low-rise vertical barriers such as stages and podiums. This lift is easy to use and can be wheeled out of sight when wheelchair accessibility is not required. The STAAGE 44 has all of the functionality and safety you would expect from Garaventa. The STAAGE 44 shown above is fitted with the optional lower landing gate and has custom two-tone paint. The standard finish is Champagne Anodized Aluminum and Satin Grey baked powder paint.

STAAGE 44 - Portable Vertical Wheelchair Lift

Printed in Canada

The Genesis STAAGE 44 lift comes fully assembled and ready to use. It is the perfect accessibility solution for stages up to 44" high. The 3 wheel portable system is easy to use and does not need to be removed when the lift is in use. The adjustable upper landing limit can be set in a matter of seconds. The lower landing call station is equipped with a lockout key switch to prevent unauthorized use of the lift.

Standard Features:

- Left/Right mast and platform configuration
- Autofold ramp and wheelchair barrier
- Platform sidewalls
- Upper landing platform gate
- Lower landing call station
- Manual emergency lowering
- Adjustable upper landing height
- 3 wheel portable system
- Power cord and plug - 10 feet

Optional Features:

- Lower landing platform gate (not shown in illustrations)
- Upper landing call station
- Custom paint colors (RAL)
